In this regard to this threatening my brother has moved an application to the then Hon'ble Chief Minister, the said application is still under enquiry and nothing fruitful has come out. ANNEXTURE - 2

To
The Honourable Chief Minister
Punjab
Chandigarh

I, Simarjeet Singh Bains, MLA Atam Nagar, Ludhiana, would like to draw your attention that, I have received a letter threatening me to stop sharing videos of plunder taking place on the name of COVID -19 in private hospitals, Otherwise be ready to bear the brunt of doing it. They want to suppress my freedom to speak out against wrongdoing. But, I feel, its my duty to look after my people.

I am sending you the copy of the letter; will submit the original letter to ADGP Security Punjab Chandigarh and will aware him regarding this threat. Along with this, I have received numerous commination letters, demanding to halt my campaign against the corruption, drugs, and mafia in Punjab. They don't want me to raise voice against them and back down. I have timely informed to the authorities about these threats.

I am writing this letter to you to bring this matter in your awareness. I kindly request you to look into this matter and carry out systematic probe against those people, who are looting poor people in this terrible circumstances.

Thanks
