The Senior Superintendent of Police,

Subject: For providing protection of life and liberty to the applicant at the hands of some unknown gangsters who have been threatening the applicant to kill her and to take strict legal action against those gangsters.

Sir,

I, Vandana Sharma daughter of Pushpraj Sharma is resident of 592C, Sushma Joynest, Airport Road, Zirakpur, Mohali and is presently in Australia on a tourist visa visiting my younger brother. I am working as an Advocate in the Hon'ble Punjab and Haryana High Court, Chandigarh and is an active member of Punjab and Haryana High Court Bar Association since 2009. Being a Criminal lawyer, I have dealt with a number of criminals for their bails and appeals in Hon'ble Punjab and Haryana High Court. On 22.12.2022, I had received a whatsapp call on my mobile no. 8054434424 from the mobile no.+13025517684 from an unknown person, claiming himself from a gangster group and he had threatened me that he will kill me and my son whenever I will come back to India for the reason best known to him. Sir, earlier also I have received these type of calls on 4-5 occasions, but I had ignored the same, but this time the threat seems to be real and thereafter, I and my family members are feeling threatened as the said person knows everything about my whereabouts and has threatened me that they will kill me and my son whenever I will visit India. Sir, I had recorded the video of that whatsapp call, which has been attached with this complaint. Sir, it therefore, requested to you to kindly provide me and my family the protection of life and liberty as and when I will come back to India and also take strict legal action against this person/gangster after tracing the whereabouts of the said person/gangster. Kindly take action at the earliest. I shall be very thankful to you.
